

SMALL TALK

Big Brothers Big Sisters of Danville Area

Volunteers Needed

Big Brothers Big Sisters of Danville need adult volunteers for its MCP, Community and School based programs. If you are an adult over 18 years old and have two hours of free time per week, you can participate in our programs. What does an individual get out of participating in one of our programs? Knowing you could be the person who changes the life of a child, re-experience your childhood again, be a friend, motivator, and a good listener.

Together, we can improve the lives of the children in our community. For more information, call 792-3700, ext. 234 or 235.
